### Tuxedo—the Most Enjoyable and the Most Healthful Smoke

THE most enjoyable smoke is a pipe. But many men deny themselves this pleasure because they have had unhappy experiences with pipe tobaccos.

Likely you have paid 35 cents to 50 cents for a tin of "fancy mixture," and it burned your mouth or throat, or was unpleasantly strong.

Too bad—but you got the wrong tobacco. The hundreds of thousands of men who have tried

have found the answer to their smoke problems. Tuxedo is the mildest tobacco made. It cannot bite the tongue or dry the throat.

And it's economical. There are 40 pipefuls in a ten-cent tin. You can't get any better tobacco because nothing better grows than the mellow, perfectly aged Burley leaf used in Tuxedo.

If you try Tuxedo for a month and cut out other smokes, you will not only have had the best month of smoking you have ever had in your life, but you will have made a mighty big saving in your pocket-money!

#### FUNERAL OF MRS. WILSON.

Services Were Conducted as Desired by Deceased.

Washington, August 10.—Without any formality except that of the church and with all the simplicity which she desired, the funeral of Mrs. Woodrow Wilson, wife of the President, was held in the East Room of the White House early this afternoon. For the day official business was banished from the Executive Mansion, and Washington and the nation joined with the President in mourning his dead.

Immediately after the services here the body was taken to Rome, Ga., the burial place of Mrs. Wilson's parents. During the trip through the South the people paid respect by tolling church bells as the special train passed.

Outside the members of the Wilson family, only members of the Cabinet and their wives, the members of special committees from the Senate and House, a few intimate friends and the employees of the White House were present at the services here.

The simple Presbyterian funeral service, without music or singing was conducted by the Rev. Sylvester Beach, of Princeton, N. J., and the Rev. J. H. Taylor, of Washington. It included selections from the Fifteenth chapter of First Corinthians, and the Fourteenth chapter of St. John, short prayers and a benediction.

While the services were in progress both houses of Congress and all Government departments were closed and all flags in the capital were at half-mast. The White House grounds were closed to the public.

The members of the family were taken to the railroad station soon after the services here, and the train left for Rome at 4:35 o'clock, arriving at Atlanta, Ga., at noon Tuesday and at Rome at 2 o'clock. There was a special car for the flowers.

In addition to the President, Miss Margaret Wilson and Mr. and Mrs. Francis B. Sayre and Secretary and Mrs. W. G. McAdoo, those in the funeral party were Professor Stockton Axson, Mrs. Wilson's brother; J. K. Wilson, the President's brother; Geo. Howe, the President's nephew; Secretary Tumulty and Dr. Cary T. Grayson, United States Navy. James Woodrow, a cousin of the President, will join the train at Spartanburg, S. C., and Miss Aitheta S. Axson, and Miss Carrie Belle Axson, cousins of Mrs. Wilson, at Atlanta.

The President spent yesterday quietly at the White House with his daughters seeing only Secretary Bryan on official business. Messages of sympathy and flowers continued to arrive throughout the day.

#### BLEW UP HIS OWN HOUSE.

Miner Accused of Holding All At Bay While it Burned.

Cumberland, Md., August 10.—Joseph Whitaker, a miner of Austen, W. Va., is in jail at Kingston, W. Va., on a charge of arson, which, in this case, covers also the blowing up of his house with a can of powder. He himself sustained severe bruises when the explosive went off.

Whitaker is said to have been drinking and to have become so violent and abusive that his daughter hit him over the head with a pcker. She also sent for her brother, who is assistant postmaster at Austen, and when he arrived the father proceeded to carry out his threat to blow up the house if she summoned aid.

The young man made a lunge to grab the father and prevent him from carrying out his declared purpose, but Whitaker the elder succeeded in firing the can of powder.

The force of the explosion threw him out of the house, his left arm and left side of the face being badly burned. The house caught fire, but Whitaker picked up large stones and warned everybody to keep away, it is said, the house being destroyed.

#### Canada's Gift to England.

Ottawa, Ontario, August 10.—One million bags of flour is the gift of the people of Canada to the people of the United Kingdom. The Canadian parliament will be asked to vote \$3,000,000 for the purchase of the flour this week.

The offer was accepted "with deep gratitude," by the mother country and four big milling companies have agreed to have the flour ready for delivery by September. The first shipment will probably be made next week.

#### MANY AT "BUSH MEETING."

Visiting Ministers Deliver the Sermons at Leesburg.

Leesburg, Va., August 10.—A large crowd attended the exercises at the Purcellville "bush meeting" yesterday. At the morning service the Rev. James Cannon, D. D., of Richmond, delivered the sermon, while the Rev. C. M. Compher of Lynchburg, preached in the afternoon and evening. There will be a moving picture exhibit this evening.

#### KILLED IN DUEL.

Naming of District School Trustees Stirrs Kentucky Mountaineers Into Feud.

Freeling, Va., August 10.—Word has been received here by telephone of a duel in which four mountaineers in Fleming, Ky., were killed in a battle that followed a quarrel over an election. The affair has stirred up a Kentucky feud, and it is feared other shootings will follow.

Details of the killings are meagre because of the remoteness of the place and the poor telephone connection. An election for school trustees was being held in the district of Wright's Fork of Boone Creek, in Letcher County, at which feeling grew very warm. As a result of this feeling, Marion Hall, Albert Hall, Alec Hall, and another Hall, whose first name could not be learned, became involved in a difficulty with William Quellen, his son Ira, and Maynard Hall. Revolvers were brought into play and after some skirmishing the three Halls brothers who fought on the side of Marion and the younger Quellen were dead. Marion Hall was shot twice through the arm.

#### INVESTIGATE MURDER.

Man with Throat Cut Is Found Dead in Lumber Yard.

Roanoke, Va., August 10.—While walking through a lumber yard here early Saturday, a workman found William McNamara, of Portland, Me., lying on the ground with his throat cut from ear to ear.

At first it was thought to be a case of suicide, but later this theory was abandoned, the police deciding that it was a clear case of murder.

It was thought that McNamara was attacked, dragged into the yard, robbed and slashed with a razor. McNamara was a stranger here, and no clue to the murderers is known.

#### END IS IN SIGHT.

Washington, August 10.—Although administration leaders in Congress believe the regular business of the session can be completed soon after September 1, some of them fear possible emergencies that may arise through the war in Europe will make it imperative that Congress remain in Washington. Talk about the Capitol, however, is that if developments of the next few weeks indicate no trouble in prospect for the United States, the signal may be given to wind up the legislative program and adjourn for the fall campaign.

Several Senators point to the fact that great alarm would have been aroused when the European nations clashed. With banks demanding emergency currency legislations, Congress would have been called in extra session. The passing of the emergency currency amendment, and the progress already made toward emergency shipping legislation, Senators declared, have done much to allay fears. The Senate plans to pass the latter bill on Tuesday.

The Clayton antitrust bill, to supplement the Sherman law, then will be taken up. Senate and House conferees meanwhile will endeavor to agree on the Federal trade commission bill.

The Foreign Relations Committee is undertaking to comply with the urgent request of the President, that the new peace treaties with twenty foreign nations be ratified.

### NEAR DEATH BY SMOTHERING

But Husband, With Aid of Cardui, Effects Her Deliverance.

Draper, N. C.—Mrs. Helen Dalton, of this place, says: "I suffered for years, with pains in my left side, and would often almost smother to death. Physicians patched me up for awhile but then I would get worse again. Finally, my husband decided he wanted me to try Cardui, the woman's tonic, so he bought me a bottle and I began using it. It did me more good than all the medicines I had taken."

I have induced many of my friends to try Cardui, and they all say they have been benefited by its use. There never has been, and never will be, a medicine to compare with Cardui. I believe it is a good medicine for all women's troubles."

For over 50 years, Cardui has been relieving women's sufferings and building weak women up to health and strength. If you are a woman, give it a fair trial. It should surely help you, as it has 2 million others.
